PARENT STATEMENT

Watching Marcel grow through football has been one of my greatest privileges. More than his technical ability, I am most proud of his attitude. He works hard, stays humble and always puts the team first. Throughout his journey from defender to striker, he has shown a strong willingness to learn, adapt and improve. Every challenge has motivated him to become a better player and teammate. Like any young player, he still has areas to develop, but his determination, discipline and passion for football give me every confidence that he will continue to grow both on and off the pitch. Above all, I hope he never loses the joy of the game and the values that define him: respect, humility and hard work.
